Choice Driven Development
I chose very early on to become a 'people person'. It was part of my personality already, but watching and learning how people interact was a conscious decision.

Joe O’Brien
...I’m a creator. I’m not a consultant. I discovered there’s actually a difference... I’m happiest making products and selling them directly.

Amy Hoy
I don’t ever want to be paid to write code. What I want to get paid for is helping others not get paid to write code.
